

*Pacific Railroad Society presents ....*  
**"Ride the Movie Trains"**  
**An Excursion on the Fillmore and Western**

Pacific Railroad Society cordially invites you to an excursion aboard the Fillmore and Western Railway, "Home of the Movie Trains," on **Saturday, May 18, 2013**. Come join us as we ride the railroad that has been featured in countless movies, television shows and commercials. The Fillmore and Western operates on 29 miles of the former Southern Pacific mainline from Montalvo (near Ventura) to the agricultural town of Piru. While the railroad is known for their work in such feature films as "Seabiscuit" and "Unstoppable" and hit TV shows like "Criminal Minds" and "The Big Bang Theory" they also operate weekly excursion, dinner, and special holiday trains.

For this excursion we will be offering two different options. We will have a bus and train option from Los Angeles and a train-only option if you want to join the excursion in Fillmore.

**Bus and Train Option**

Our excursion will begin at Gateway Transit Plaza on the east side of historic Los Angeles Union Passenger Terminal.

Entrance to the underground parking at Gateway Transit Plaza is on Vignes Street between Cesar Chavez and US-101. Gateway Transit Plaza is on the east side of Union Station and you can also arrive at the station on Amtrak, Metrolink, Metro Gold and Red Lines and a variety of Metro Buses. Check with each agency for schedules.

We will be traveling aboard motor coaches to Fillmore where we will board our special train.

**Train Only Option**

We will travel the length of the railroad from Piru to Montalvo with planned photo stops at various locations along the line, including Santa Paula and Montalvo. We will enjoy one of the railroad's famous BBQ lunches on board the train.

You will be able to board the train in Fillmore without the bus ride to and from Los Angeles.

**Don't miss this once-in-a-lifetime trip!**
